

MARTHA – ILSE. THE DARK I KNOW WELL (SECONDA PARTE)

ILSE

I don't scream, though I know it's wrong
I just play along
I lie there and breathe
Lie there and breathe

I wanna be strong
I want the world to find out
That you're dreamin' on me
Me and my "beauty"

INSIEME

Me and my "beauty"
You say all you want is just a kiss goodnight
And then you hold me and you whisper,
"Child, the Lord won't mind.
It's just you and me.
Child, you're a beauty."

"God, it's good – the lovin' – ain't it good tonight?
You ain't seen nothing yet – gonna teach you right.
It's just you and me
Child you're a beauty."

There is a part I can't tell
About the dark I know well

There is a part I can't tell
About the dark I know well

There is a part I can't tell
About the dark I know well

There is a part I can't tell
About the dark I know well
