

## MORITZ – ILSE. DON'T DO SADNESS – BLUE WIND

So maybe I should be some kind of laundry line  
Hang their things on me and I will swing 'em dry  
You just wave in the sun through the afternoon and then see  
They come to set you free  
Beneath the rising moon  
'Cause you know

Spring and summer every other day  
[I don't do sadness]  
Blue wind gets so lost  
[Not even a little bit]  
Blowin' through the thick corn  
[Just don't need it in my life]  
Through the bales of hay  
[Don't want any part of it]

Spring and summer every other day  
[I don't do sadness]  
Blue wind gets so lost  
[Hey, I've done my time, looking back on it all]  
Blowin' through the thick corn  
[Man, it blows my mind]  
Through the bales of hay  
[I don't do sadness]  
Through the wandering clouds of the dust  
[So been there, don't do sadness]  
Spring and summer  
[Just don't care]
